Dear Friends,

Thank you so much for your calls and e-mails about the tragic incident in Jordan. We are as shocked as you are and pray that justice prevails. Jordan has always been the land of peace, our people like you are not used to this type of attack that rocks our world.

If anything Jordan's 9/11 will only make us stronger and more resilient in the face of terrorism and those who perpetrate such heinous crimes in the name of religion. Our thoughts and prayers are with all the families and victims of 9/11.

It is through our experiences and cultural exchanges that will help us combat terrorism.

Thank you for your support and for standing by us.
